

Appendix I

APEC Project Evaluation Survey: Seminar, Symposium, Workshop

APEC Project Name/Number: EWG 03/2015A: APEC Follow-up Peer Review on Energy Efficiency (PREE - Phase 5)

Date 3 Aug 2015

Instructions: Please indicate your level of agreement with the statements listed in the table below.

	Strongly Agree	Agree	Disagree	COMMENTS (Continue on back if necessary)
The objectives of the training were clearly defined		✓		
The project achieved its intended objectives		✓		
The agenda items and topics covered were relevant		✓		
The content was well organized and easy to follow		✓		
Gender issues were sufficiently addressed during implementation		✓		
The trainers/experts or facilitators were well prepared and knowledgeable about the topic		✓		
The materials distributed were useful		✓		
The time allotted for the training was sufficient.		✓		

1. How relevant was this project to you and your economy?

5 ④ 3 2 1
very mostly somewhat a little not much

Explain: My organization is public service transportation operator that contributes energy saving of Thai economy. This project will help identifying some of the key issues we would need to focus for transport energy efficiency in transport sector.

2. In your view what were the project's results/achievements?

Explain: Raise awareness of relevant agencies regarding policy development
for energy efficiency of Thailand.

3. What new skills and knowledge did you gain from this event?

Explain: Importance of energy conservation and relevant policies
at present and in future. Ideas & Comments from expert team
experiences from other countries

4. Rate your level of knowledge of and skills in the topic prior to participating in the event:

5	4	3	(2)	1
very high	high	medium	low	very low

5. Rate your level of knowledge of and skills in the topic after participating in the event:

5	4	(3)	2	1
very high	high	medium	low	very low

Explain: participation is short time due to other duties.

6. How will you apply the project's content and knowledge gained at your workplace? Please provide examples (e.g. develop new policy initiatives, organise trainings, develop work plans/strategies, draft regulations, develop new procedures/tools etc.).

Explain: Knowledge obtained can be applied at personal level.
To put it into general public, it requires cooperation of relevant agencies
to develop national policies, while minimizing conflict of interests (eg promotion

7. What needs to be done next by APEC? Are there plans to link the project's outcomes to subsequent collective actions by fora or individual actions by economies? OF private motorized vehicles
vs investment on public
transport infrastructure

It may need a session to brainstorm to come up with
a road map for APEC actions corresponding to current practices on energy
utilization in Thailand.

8. How could this project have been improved? Please provide comments on how to improve the project, if relevant.

Participant information (identifying information is optional):

Name: DR. ATHAPHON KAWPRASERT

Organisation/Economy: State Railway of Thailand .

Email: A_KAWPRASERT@HOTMAIL.COM .

Gender: ☒ M / F

Thank you. Your evaluation is important in helping us assess this project, improve project quality and plan next steps.

Appendix I

APEC Project Evaluation Survey: Seminar, Symposium, Workshop

APEC Project Name/Number: EWG 03/2015A: APEC Follow-up Peer Review on Energy Efficiency (PREE - Phase 5)

Date 3/8/15

Instructions: Please indicate your level of agreement with the statements listed in the table below.

	Strongly Agree	Agree	Disagree	COMMENTS (Continue on back if necessary)
The objectives of the training were clearly defined		✓		
The project achieved its intended objectives		✓		
The agenda items and topics covered were relevant		✓		
The content was well organized and easy to follow		✓		
Gender issues were sufficiently addressed during implementation		✓		
The trainers/experts or facilitators were well prepared and knowledgeable about the topic		✓		
The materials distributed were useful	✓			
The time allotted for the training was sufficient.		✓		

1. How relevant was this project to you and your economy?

5 4 3 2 1
very mostly somewhat a little not much

Explain: _____

2. In your view what were the project's results/achievements?

Explain: _____

3. What new skills and knowledge did you gain from this event?

Explain: _____

4. Rate your level of knowledge of and skills in the topic prior to participating in the event:

5	4	3	2	1
very high	high	medium	low	very low

5. Rate your level of knowledge of and skills in the topic after participating in the event:

5	4	3	2	1
very high	high	medium	low	very low

Explain: _____

6. How will you apply the project's content and knowledge gained at your workplace? Please provide examples (e.g. develop new policy initiatives, organise trainings, develop work plans/strategies, draft regulations, develop new procedures/tools etc.).

Explain: develop new policy / measure initiatives , draft regulations

7. What needs to be done next by APEC? Are there plans to link the project's outcomes to subsequent collective actions by fora or individual actions by economies?

8. How could this project have been improved? Please provide comments on how to improve the project, if relevant.

Participant information (identifying information is optional):

Name: PANYA WARAPETCHARAYOT

Organisation/Economy: POLLUTION CONTROL DEPARTMENT / THAILAND

Email: panya41@hotmail.com

Gender: ☒ M / ☐ F

Thank you. Your evaluation is important in helping us assess this project, improve project quality and plan next steps.

Appendix I

APEC Project Evaluation Survey: Seminar, Symposium, Workshop

APEC Project Name/Number: EWG 03/2015A: APEC Follow-up Peer Review on Energy Efficiency (PREE - Phase 5)

Date August 3, 2015

Instructions: Please indicate your level of agreement with the statements listed in the table below.

	Strongly Agree	Agree	Disagree	COMMENTS (Continue on back if necessary)
The objectives of the training were clearly defined	✓			
The project achieved its intended objectives	✓			
The agenda items and topics covered were relevant	✓			
The content was well organized and easy to follow	✓			
Gender issues were sufficiently addressed during implementation	✓			
The trainers/experts or facilitators were well prepared and knowledgeable about the topic	✓			
The materials distributed were useful	✓			
The time allotted for the training was sufficient.		✓		

1. How relevant was this project to you and your economy?

5) very

4 mostly

3 somewhat

2 a little

1 not much

Explain:

2. In your view what were the project's results/achievements?

Explain: correlation of transportation & energy & emissions

3. What new skills and knowledge did you gain from this event?

Explain: how to make use of science & research information to policy makers for appropriated mitigations & policies

4. Rate your level of knowledge of and skills in the topic prior to participating in the event:

5	4	3	2	1
very high	high	medium	low	very low

5. Rate your level of knowledge of and skills in the topic after participating in the event:

5	4	3	2	1
very high	high	medium	low	very low

Explain: Thank you so much

6. How will you apply the project's content and knowledge gained at your workplace? Please provide examples (e.g. develop new policy initiatives, organise trainings, develop work plans/strategies, draft regulations, develop new procedures/tools etc.).

Explain: to work with policy makers for any appropriated mitigations & policy for better environment (Air Quality)

7. What needs to be done next by APEC? Are there plans to link the project's outcomes to subsequent collective actions by fora or individual actions by economies?

- More research study & technical support & cooperation project.

8. How could this project have been improved? Please provide comments on how to improve the project, if relevant.

- Net works & cooperation between the networks should be done. Further

Participant information (identifying information is optional):

Name: Ittipol Pawarmart

Organisation/Economy: Pollution Control Department (PCD), Thailand

Email: ittipol@hotmail.com

Gender: ☒ M / F

Thank you. Your evaluation is important in helping us assess this project, improve project quality and plan next steps.

APEC Project Name/Number: EWG 03/2015A: APEC Follow-up Peer Review on Energy Efficiency (PREE - Phase 5)

Date August 3, 2015

Instructions: Please indicate your level of agreement with the statements listed in the table below.

	Strongly Agree	Agree	Disagree	COMMENTS (Continue on back if necessary)
The objectives of the training were clearly defined	✓			
The project achieved its intended objectives		✓		
The agenda items and topics covered were relevant	✓			
The content was well organized and easy to follow	✓			
Gender issues were sufficiently addressed during implementation		✓		
The trainers/experts or facilitators were well prepared and knowledgeable about the topic	✓			
The materials distributed were useful		✓		
The time allotted for the training was sufficient.		✓		

1. How relevant was this project to you and your economy?

5 very 4 mostly 3 somewhat 2 a little 1 not much

Explain:

in general, workshop themes + details are acceptable

2. In your view what were the project's results/achievements?

Explain: we got more wider expertise & best practices from various agencies

3. What new skills and knowledge did you gain from this event?

Explain: efficient cooperation to move forward on PREE

4. Rate your level of knowledge of and skills in the topic prior to participating in the event:

5	4	3	2	1
very high	high	medium	low	very low

5. Rate your level of knowledge of and skills in the topic after participating in the event:

5	4	3	2	1
very high	high	medium	low	very low

Explain: Excellent workshop

6. How will you apply the project's content and knowledge gained at your workplace? Please provide examples (e.g. develop new policy initiatives, organise trainings, develop work plans/strategies, draft regulations, develop new procedures/tools etc.).

Explain: we learn best practices on development planning both in hard-soft practices

7. What needs to be done next by APEC? Are there plans to link the project's outcomes to subsequent collective actions by fora or individual actions by economies?

To set up the clear intervening themes/objectives base on the APEC's countries' interesting

8. How could this project have been improved? Please provide comments on how to improve the project, if relevant.

- To perform more successful outcomes from PREE's workshop
- Give more advance information to interesting to participate.
- Gathering more participants' from various experiences to share view & useful comments

Participant information (identifying information is optional):

Name: Malue VARHARADORN, Ph.D.

Organisation/Economy: Office of Transport & Traffic Policy & Planning,
Ministry of Transport.

Email: dr.malue@gmail.com

Gender: M / ☒ F

Thank you. Your evaluation is important in helping us assess this project, improve project quality and plan next steps.

Appendix I

APEC Project Evaluation Survey: Seminar, Symposium, Workshop

APEC Project Name/Number: EWG 03/2015A: APEC Follow-up Peer Review on Energy Efficiency (PREE - Phase 5)

Date 4 / 8 / 2015

Instructions: Please indicate your level of agreement with the statements listed in the table below.

	Strongly Agree	Agree	Disagree	COMMENTS (Continue on back if necessary)
The objectives of the training were clearly defined		✓		
The project achieved its intended objectives		✓		
The agenda items and topics covered were relevant		✓		
The content was well organized and easy to follow			✓	some are hard to follow, as a new topic to me.
Gender issues were sufficiently addressed during implementation		✓		
The trainers/experts or facilitators were well prepared and knowledgeable about the topic		✓		
The materials distributed were useful		✓		
The time allotted for the training was sufficient.		✓		

1. How relevant was this project to you and your economy?

5 4 3 2 1
very mostly somewhat a little not much

Explain: New alternative energies occurred and we are on the process of reducing the using of energy by consuming new kind of energies with efficient use.

2. In your view what were the project's results/achievements?

Explain: Thailand or Thai agencies will have new aspects of ideas in achieving of the alternative energy development and efficiency.

3. What new skills and knowledge did you gain from this event?

Explain: Thai's energy using, consuming and other alternative energies.

4. Rate your level of knowledge of and skills in the topic prior to participating in the event:

5 4 3 2 ①
very high high medium low very low

5. Rate your level of knowledge of and skills in the topic after participating in the event:

5 4 3 ② 1
very high high medium low very low

Explain: I am not in the sector related to transport or energy directly, thus this is a kind of new knowledge for me.

6. How will you apply the project's content and knowledge gained at your workplace? Please provide examples (e.g. develop new policy initiatives, organise trainings, develop work plans/strategies, draft regulations, develop new procedures/tools etc.).

Explain: _____

7. What needs to be done next by APEC? Are there plans to link the project's outcomes to subsequent collective actions by fora or individual actions by economies?

APEC by specific expert group could achieve on moving forward for the using alternative energies efficiently by organising seminars, training or even workshop within the group, joined by related agencies.

8. How could this project have been improved? Please provide comments on how to improve the project, if relevant.

Participant information (identifying information is optional):

Name: Ms. Sirimard Chaiyalapo

Organisation/Economy: BOI Thailand

Email: sirimard@boi.go.th

Gender: M / ☒ F

Thank you. Your evaluation is important in helping us assess this project, improve project quality and plan next steps.

1. How relevant was this project to you and your economy?

5 4 3 2 1
very mostly somewhat a little not much

Explain: _____

2. In your view what were the project's results/achievements?

Explain: linking between transport policy / energy policy and
impact on emission & fuel economy and then come up with
Mitigations & work plan.

3. What new skills and knowledge did you gain from this event?

Explain: indicators to evaluate energy sufficient

4. Rate your level of knowledge of and skills in the topic prior to participating in the event:

5	4	3	2	1
very high	high	medium	low	very low

5. Rate your level of knowledge of and skills in the topic after participating in the event:

5	4	3	2	1
very high	high	medium	low	very low

Explain: linking between scientific data to policy maker
is very important

6. How will you apply the project's content and knowledge gained at your workplace? Please provide examples (e.g. develop new policy initiatives, organise trainings, develop work plans/strategies, draft regulations, develop new procedures/tools etc.).

Explain: I would make use of the knowledge to develop
workplans/strategies including develop new procedures/tools

7. What needs to be done next by APEC? Are there plans to link the project's outcomes to subsequent collective actions by fora or individual actions by economies?

technical topic such as MRV System or
Climate Change impact from transportation sector
should be considered to be the topic for the next meeting.

8. How could this project have been improved? Please provide comments on how to improve the project, if relevant.
